QUALITY | COMMITMENT | EFFICIENCY

Blue Flower

Unlimited Resources of Quality Marble & Granite

Traditionally we have been into mining for last seven decades & We have easy access to very large and best reserves of natural marble & granite in North India. We are having several mining sites, namely- **Rainforest Green, Blue Flower & our latest addition Sunset Canyon**. We deploy latest mining machineries & our highly diligent employees pay extreme care and a lot of attention in identifying, making and selecting rough blocks.

Infrastructure

Over the years, the company has expanded its portfolio with the opening of a state-of-art plant with all Italian machines. We boast of huge stock of rough blocks & complete lines and machines for continues dressing, cutting, resining & polishing of Granite & Marble.

Commitment to Preserve Natural Resources

We are committed to preserve the nature and natural resources. We have an efficient water treatment plant for conserving water and have planted seeds for a greener future. These are small steps in going green, preserving the nature and natural resources.

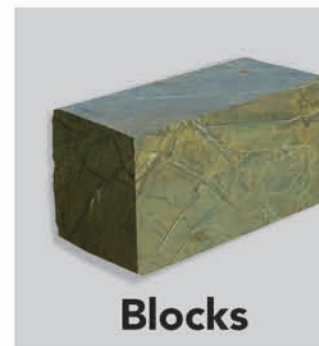

"Quality, Timely Delivery, Satisfied Customers!"

The process right from mining to finishing is expedited through careful organizing and sticking to delivery schedules. With highly diligent staff, excellent infrastructure, road and sea connectivity, we ensure that the product reaches you on time.

Healthy, Happy and Efficient Workforce - Our employees are our core strength. And we have ensured everything possible to make them happy, healthy and efficient. We provide in-depth training in latest technology and craftsmanship.

ANTIQUE

Blue Flower granite from our own mine in Beawar region in Rajasthan is a swirling dramatic blue durable slab granite with both light and darker veins. Blue Flower is recommended for both interior and exterior projects including countertops and landscaping in climates with freezing temperatures as well as all interior projects including backsplashes, flooring, and countertops. The material is fresh and some areas of quarry also produce gold shades of the color.

Blue Dunes granite is an Indian bluish brown granite. It is also known as Azul Celeste Granite. This is a very new granite and it has already earned a very good reputation for flooring and Kitchen countertops.

The background color of this granite is bluish green, with dunes like pattern. This granite is an ideal choice for elegant Kitchen countertops, wall cladding, bathroom tiles, and flooring. We are making this granite in slab, tiles and kitchen countertop sizes in 2 and 3 cm thickness.
