Goel marbles began its love affair with stones in 1980s, was promoted by Goel family over 27 years ago, has now emerged as leaders in all spheres of marble & stones related activities..

Our vision is to make our organisation a global distribution centre for marble and granite.

The experienced Goels went into backward integration by setting up gangsaw at Kishangarh, Rajasthan processing units at Jhallore, Rajasthan and Khammam, A.P. Now we became a global leader in the field of stone finishing and stone related work and also a major distributor of natural stones.

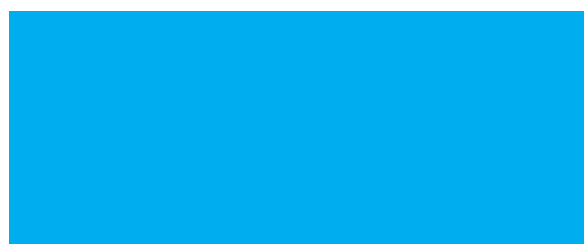

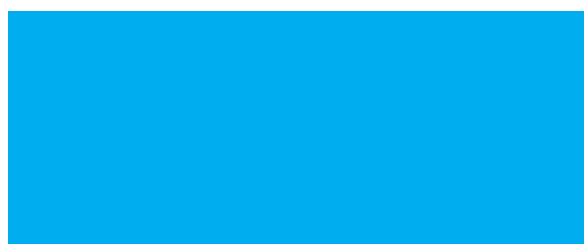

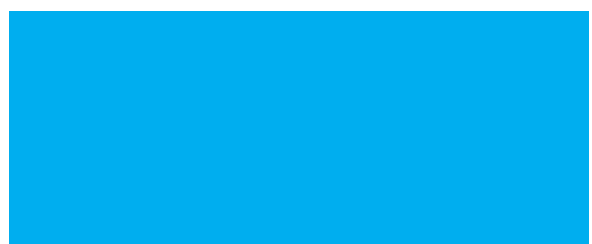

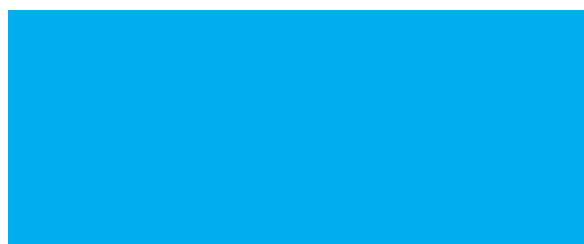

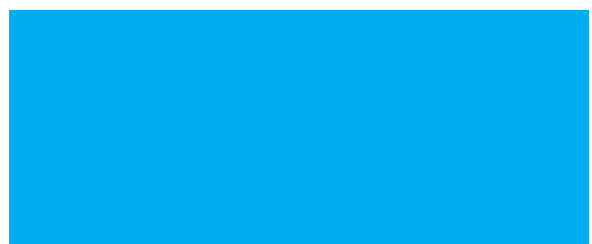

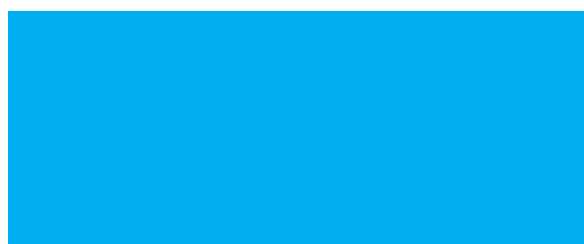

We offer an extraordinary selection of Marble, Granite & Exotic colors. Unlimited sizes and superior finishes have established us as an industry leader for both interior and exterior applications of stones. We are known around the world for our commitment to sustainability, our dedication to premium quality and the unique relationships with our customers.

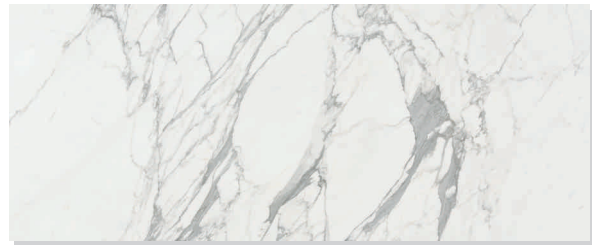

We Goel marbles aim to enhance India's magnificence by contributing to the best of architecture and interior design spaces.

We import the best material from countries like - India, Italy, Spain, Finland, Portugal, Turkey, Brazil and many more...
