Marble Italia

The Birth of Passion. The Birth of Eternity. The era dates back to early 1981 when Mr. Shashidhar Patil, a visionary entrepreneur, was obsessed with sourcing the world's best quarries for the finest, rarest and the most exotic stones to adorn and inspire modern architecture.

In 1981, exactly three decades ago, Tile Italia was born. A company then- an institution today, Tile Italia has become one of the most respected brands in the country thanks to its commitment to ideals that put customers before profits, credibility before business and a truly motivated team.

Marble Italia- a Tile Italia group company, has in its range, imported Natural Marble from over 14 countries like Italy, Spain, Greece, Turkey, Brazil etc. that is rich in Natural resources of these items. Over the last decade, we have focused in bringing to India the most exquisite Marbles from all over the world. More than 30 different varieties of Natural Marble, Onyx and Semi precious stones have been explored and introduced to India for the first time by Marble Italia.

Engineered Quartz from Technistone, Lavanar Crystal Stone, Engineered / Composite marble, Semi precious stones and Mother of Pearl are all on display under a State-of-the-art Marble Gallery, a first of its kind in India that helps a customer understand the character and the texture of a stone to its very best.

View the enchanting collection of the finest, most exquisite stones that we have to offer.

Trust you will be inspired!!!!
